What: St Gabriel Family Caroling Event

On the evening of Friday, December 18th, the St. Gabriel school community will present special Christmas cards, created by our students, to the neighborhood police officers and firefighters who protect us.

This caroling event is for children with their parents. We will walk and carol from the firehouse to the police station (the distance of one mile), singing all the way.

We provide the songbooks, and you provide the voices.
Join us for cookies and cocoa in the community room of the Taraval Police Station immediately following the caroling.
This event will take place regardless of weather conditions.
